

# Girl⚡Powered

Redefining the face of STEM.

## WORKSHOP

Event partners: VEX Robotics

**EVENT CODE: RE-WORKSHOP-23-4070**

**Date: October 18,2023**

AlMaaref Private School's vision of innovation is to contribute in world's transition to reshape the future. We aim to develop and inculcate innovation with effective attainment of relevant 21st century skills.

In celebration of International Day of Girl, students are invited to join us for a fun-filled evening of hands-on activities!

The event will kick-off with an interactive Q&A from technology thought leaders, then flow into a series of activities scaled for students ranging from grades 5-12.

**Girl Powered** Event 2023 is hosted by innovation department to promote **STEM education** and **robotics** among our girls, *the future leaders of the world.*
