## School Bus Transport Policy 2023-2024

Al Maaref Private School, Dubai has outsourced the school transport service to Emirates Transport (ET).

Emirates Transport (ET) is the trade name for Emirates General Transport and Services Corporation, the UAE's government-owned public transport provider, particularly for the government and education sectors. Created in 1981, it now counts with over 35 thousand vehicles on its fleet and more than 26 thousand employees. It transports 250 thousand children to school daily.

All buses are fitted with Video Surveillance System, Global Positioning Systems, and electronic attendance systems for the purposes of student attendance confirmation and safety.

Emirates Transport is managed by highly experienced professionals who have a long track record of safe transportation of students and works closely with the school administration team to ensure that parents and students receive the best possible services.
